1.

The subject of the Contract is the upbringing, education, and care of a child under preschool programs and the Zasebni vrtec Pingvin annual work plan.

On the basis of the application (enrollment sheet) of the kindergarten enrollment provided by the Legal guardian to whom the pediatrician's medical certificate of the child's health is attached, the child is enrolled in the kindergarten beginning on _____.

2.

The Kindergarten reserves the right to join several groups of children at the beginning and end of business hours and in exceptional circumstances, such as epidemics and the like.

3.

Legal guardians are obliged to respect the kindergarten hours. In the case of an infectious disease of the child, his or her Legal guardian is obliged to notify the Kindergarten immediately.

This contract shall apply throughout the inclusion of the child in the preschool education program. In case of breach of contract, the Kindergarten or Legal guardian sends a written notice to the other party. In the event of a repeated breach by the Legal guardian or a threefold delay in the payment of kindergarten services within a period of six months, the Kindergarten may terminate the contract with a notice period of one month. On the other hand, the Legal guardian may terminate the contract without giving a reason with one month's notice.
